BREAST ARREST: Iana gets nicked in Ukraine tits-out protest

Frog court rules boobs are legal

By **BARNEY SAMUELS** news@sundaysport.co.uk

THE French Supreme Court has ruled that women can display their breasts in public as long as their "behaviour is incorporated into an act of political protest".

It comes after a Ukrainian feminist who staged a topless protest in Paris was charged with sexual exhibition – similar to public indecency in the UK.

Iana Zhdanova, 32, stabbed a waxwork of President Putin at a French museum in 2014 while topless with the words Kill Putin written on her chest.

A member of the feminist Femen movement, she was arrested and charged with vandalism as well as her sexual exhibition charge, which carries a one-year prison sentence.

She told journalists she was surprised such a liberal country would prosecute for public indecency, saying: "Even in my home country, they haven't gone down that road."

Sexual

Taking her case all the way to the Supreme Court in France, she won when the court ruled that it is legal for women to show their breasts in public when it's part of a political protest.

Her lawyer, Marie Dose, has since argued that the judges should have gone further and ruled that women could go topless in all circumstances.

She said: "Who decides that women's chest are more sexual than men's?"

It's not the first time that Iana has been nicked – in 2012 she was arrested during another topless protest in the Ukrainian capital, Kiev.

Kind Betty goes on game to pay for stamps

FIRST CLASS: A stamp

SUNDAY SPORT EXCLUSIVE
By JENNY BLACK

BACK in 1978, after watching a report about orphans on BBC's *Nationwide*, Betty Purvis started sending birthday cards to her local orphanage.

Now 81, she said: "I watched this piece and I was in floods of tears.

"These little boys and girls didn't have any mummies and daddies and they got no birthday presents or Christmas gifts.

"I said there and then that I'd send birthday cards to as many poor orphans as I could and I've kept my promise as much as I can."

PRICE HIKE FORCES GRAN TO SELL SEX

Over the years, Betty, of Wakefield, W Yorks, has posted thousands of cards to luckless kiddies and brought cheer to countless children.

But now – thanks to the cold-heartedness of privatised Royal Mail bosses – Betty has had to start ESCORT work to afford the stamps.

The widow told *Sunday Sport*: "I was just about affording the cost of all that postage but then last week the Post Office said they were putting

the price of stamps up 6p for first class and 9p for second class.

"There's no way I can cover that, but there's also no way I'm not sending those kiddies their cards.

"So, I'll have to start selling my minge."

Betty has signed up to three escorting websites and has her first client this Wednesday.

She said: "When the spunk is landing on me, I'll be thinking of those orphans' smiling faces!"

TOWIE Gemma's HP sarnies hell

TOWIE star Gemma Collins has revealed how her family used to be so poor she used to eat HP Sauce sandwiches.

Speaking about growing up in Essex Gemma (left), 39, said: "We was really poor growing up.

"People don't believe it when I say it, but it's the

truth. My dad had to do an extra shift in the pub to put shoes on my feet.

"I used to go round my nan's and she'd have HP sauce in the cupboard and a bit of bread.

"I'd have an HP sauce sandwich and it was the best times ever. There wasn't luxuries."

MISSED OUT:
Tara's busy sex life made producers a bit nervous

500 MEN in TWO YEARS? That's too much even for us!

**PORN

movies

SEXY Tara Livingstone says she was **BANNED** from appearing in the last series of *Love Island* – because she was **TOO** randy!

Tara, 22, says she came "within a whisker" of being on the winter series of the ITV programme but was dropped at the last minute after producers decided her score rate of 500 MEN in just two years "threatened to overshadow the show".

Tara, of Winchester, said: "At first they were so excited. I applied to go on and a researcher got back to me. I told her all about what I got up to and said I was really randy and a natural exhibitionist."

Pussy

"They didn't ask if I'd have sex on the show but they can't have been in much doubt that I would, given the opportunity."

"I love people watching me have sex and the idea of having sex on a big-rated TV show with literally millions of people watching was such a turn-on."

"In fact, just thinking about it is making my pussy soaking wet right now."

Tara added: "I've made loads of amateur porn films and I've put some on the internet. I love the comments that people

leave, like, 'I want to rub my spunk in your firm tits' or even really kinky stuff like 'I want to come up your arse'.

"I love the idea of people wanking over me and my dream is to be in the middle of a huge bukkake session with a dozen men or more spunking into my face and on my tits. I think I'm just a cum-slut, really."

Tara was sworn to secrecy about her forthcoming role in *Love Island* and had a hell of a time keeping schtum.

She said: "I was told that if it leaked out that I was going on, my place in the show would be in jeopardy, so I didn't tell a soul – not even my best mates."

"They are all huge fans of *Love Island* and were all saying how they'd love to be on it and there was me, just weeks away from flying to South Africa for the first ever winter series. I was so excited, I could have exploded."

Then came disaster. Tara recalled: "I was on my way home from work – I'm a telesales operative – and one of the producers called me."

"They said that they've looked again at my CV and said that my claim to have shagged 500 men in two years was 'a bit much, even for them'."

"I said to them, 'What do you mean? I thought that was what you were after?'"

"They explained that the show had become a bit hot, politically – this was before what happened to poor Caroline Flack, of course. They said they could be accused of being overly-pornographic and said they wanted to become more family-friendly and that meant less overtly sexual."

Cock

"They said that if I'd shagged 500 men in two years then my shagging would become the story and overshadow the series. They said that loads of men I'd shagged would come out of the woodwork."

"It was a case of 'We know it's the 11th hour – thanks but no thanks'."

"To say I was gutted is such an understatement. I'd hoped that

my spell on *Love Island* would make me famous and hopefully give me a chance to get plenty of hard cock inside me."

"But it was not to be. I'm going to concentrate on my modelling now and I've already been approached to make my first porn film with a very well-known company."

"In the summer, I hope to go take part in my first bukkake party. It's not quite what I had in mind but cock is cock, after all."

The eventual winners of the series were Paige Turley and Finn Tapp but their victory was overshadowed by the tragic death of Caroline Flack.

On Saturday February 15, former *Love Island* presenter Caroline passed away at the age of 40, having taken her own life.

Presenter Laura Whitmore delivered an emotional tribute to her during the final of the reality dating show, during which Paige and Finn were crowned the winners and awarded a £50,000 cash prize.

LEFT-wing pensioner Bernie Sanders, who hopes to win the Democratic presidential nomination and unseat Donald Trump, has won support from an unlikely quarter – America's PORN STARS!

PRESIDENTIAL HOPES: Sanders and Trump

Alana Evans, president of the Adult Performers Actors Guild (APAG), said: "I am a Bernie Sanders supporter. I voted for him against Hillary and, when given the opportunity, I will vote for him again."

Evans feels Sanders is the most "sensible candidate" because of his plans for "health care and education", and she isn't nearly as keen on the rest of the pool, which includes former New York mayor Michael Bloomberg.

She said: "Bloomberg is a Trump in sheep's clothing, and it would end up being eight more years of the same crap."

"Elizabeth Warren, at one point, had created a bill that would have potentially taken away the bank accounts of sex workers, under the guise of preventing sex trafficking."

"I'm tired of seeing politicians use the label of 'sex trafficking' to garner attention for their platforms, when

they don't understand that many of the people that are labelled as trafficked are, in fact, consensual sex workers."

Adult star Janice Griffith said: "R**k Bloomberg, Klobuchar is a cop, Steyer isn't a real contender, Buttigieg is a creep, mimicking talking points while skating around issues."

Despite once being close to porn star Stormy Daniels, President Trump is not liked by the adult industry after declaring porn a "public health emergency".

Millennials' mad denials

ONE-IN-10 millennials reckon the earth is FLAT.

Despite being able to see the planet from space – where it is clearly seen as a globe – a poll of 2,000 Brits found that the group aged between 24-35, were least convinced of all age ranges.

The study also found millennials were the most likely to believe the Moon landings were faked.

A total of 64 per cent reckoned that it was "a possibility" that Neil Armstrong setting foot on the lunar surface on July 21, 1969 – watched by 500m people worldwide – had been "staged" by America.

Millennials were also the most likely age group to believe the world is controlled by lizards from space, with 12 per cent thinking it was true, the poll by TopCasinoBonus.com found.

GoT Gemma: lesbo kiss was my idea!

GAME of Thrones star Gemma Whelan has confessed her on-screen kiss with co-star Indira Varma was improvised.

The 38-year-old actress (*below*), who played Yara Greyjoy in the HBO fantasy series, made out with the character of Ellaria Sand in season seven, just before her ship was ambushed by Euron Greyjoy's portion of the Iron Fleet.

It turns out that producers hadn't actually written in the couple's snog, but the actresses had felt that locking lips "seemed right" given the charged sexual tension between them.

Gemma revealed: "It wasn't directed that we would kiss. It just seemed like something we should do."

"We led it, very much so. It was meant to be a suggestion of flirting and then it became more sexual than we expected because it seemed right."

Married and straight in real life, Gemma added: "Every single thing I do, there's a lesbian touch to it... long may I continue!"

Nudist neighbour shock for Harry!

FORMER football manager Harry Redknapp's life of luxury at the seaside has just one fly in the ointment – NUDISTS!

The *I'm a Celebrity... Get Me Out of Here!* winner gave TV viewers a glimpse of his life in the exclusive Sandbanks area of Dorset.

In an episode of his show *Sandbanks Summer*, the 72-year-old (*below*) hosted football pals John Barnes and Chris Kamara.

And he confessed to his mates that despite all its charms, his neighbourhood hosts the National Trust's only designated naturist beach.

Speaking to ex-Liverpool and England player Barnes, Harry said: "It is very strange."

Cheeky John wanted to go over and get a closer look at the action with a pair of binoculars not doing quite enough for him.

Asking Harry whether he wanted to join him, the King of the Jungle quickly replied: "No! No thank you, John."

"You will not get me over there for all the money in the world. I'm definitely not going over there."

Wishing John "good luck", Harry added: "You might need those binoculars John, it's a bit cold today."

Gwyn: Selling dildos makes me a 'badass'

HOLLYWOOD scorcher Gwyneth Paltrow has revealed her teen son's response to her flogging SEX TOYS online.

The Hollywood star, 47, explained how she made the transition from embarrassing mum to very cool in the eyes of her teenage son Moses.

On *Jimmy Kimmel Live* last week, the actress divulged her son thinks her selling adult sex devices on her website was in his words "badass".

And she said the youngster saw it as a positive feminist move by his mother.

She said: "He was like, 'At first I thought it was really embarrassing that there were vibrators on your website and now I think it's a great thing!'"

"He's like, 'You're a feminist, Mom. You're a badass.'"

The *Avengers* star, who is a successful entrepreneur having started Goop in 2008, also told how she empathises with her children because they have famous parents.

She added: "It must be pretty surreal for them to be the kids of somebody. It's interesting to watch them evolve along with our careers."

Epstein topped himself to avoid victim payouts

A JEFFREY Epstein sex-trafficking victim says the multimillionaire perv committed suicide to escape paying the women he preyed on.

The woman, identified as Katlyn Doe, claims a number of actions taken by Epstein (above) prior to his suicide at the Metropolitan Correctional Centre in Lower Manhattan in August last year show he likely killed himself specifically to avoid paying his victims.

Papers filed in the Manhattan Federal Court say: "Among the very significant facts are that Epstein initially attempted suicide just one day after being served with a civil complaint seeking punitive damages.

"And, thereafter, Epstein executed a last will and testament directing how his vast assets would be devised. Just two days later, Epstein committed suicide."

Epstein also studied the law and likely knew he could potentially escape paying those he harmed if he committed suicide, Doe's lawyer argued in the filing.

Councillor cleared of C-bomb attack

A COUNCILLOR who caused uproar when he allegedly hurled the C-word at a colleague during a furious public row has been cleared of the foul-mouthed abuse.

Councillor Richard Weaver was accused of branding fellow councillor Alasdair Steane a "c***t" when tempers flared to a "heightened state" at a meeting back in September 2018.

He faced being sanctioned for breaching the councillor's code of conduct after an investigation found he had "more likely than not" made the rude comment at a Bembridge Parish Council meeting in the pretty Isle of Wight coastal village.

But the funeral director insisted he had in fact called his colleague a "cult" and has now been told there is insufficient evidence against him.

BROKEN FAMILY: Mortimers struggling to get over tragedy

IT was all too much for little Elspeth Mortimer...

The animal-loving seven-year-old schoolgirl watched in horror as the family pitbull-collie cross – named Tyson Fury in honour of the champion Gypsy King heavyweight boxer – gulped down her pet cockerel, who she named Phil Schofield after the newly-gay *This Morning* host.

But there was worse to come, because Tyson Fury had literally bitten off more than he could chew.

Horrific

Phil Schofield's sharp claws and elaborate plumage proved too much of a swallow, even for the burly dog.

As Elspeth ran panicked to fetch mummy Georgia and daddy Eustace to help, poor Tyson Fury choked to death on the unfortunate cock.

home in Biddulph, Staffs, had struck heartbroken Elspeth dumb.

He said: "My little princess has not made a sound since she stopped screaming and, while I'm rather enjoying the peace and quiet, I'm slightly worried about her.

"I've explained that big, fierce dogs like Tyson Fury will often eat cockerels, that is the nature of things.

"But I can't say she's fully come to terms with what's

happened. Neither have I for that matter.

"I've watched everything that David Attenborough has put out on the telly and, if I'm not mistaken, I've never seen a big dog choke on a cock before."

It's emerged that Tyson Fury – the dog, not the boxer – was living on borrowed time anyway.

It was due to be put down after savaging a neighbour's alpaca.

Eustace said: "They'd ordered him destroyed. But good old Tyson Fury, he cheated the hangman.

"Not that they were going to hang him, of course."

Attack of the cannibal polar bears

POLAR bears in Russia's Arctic are resorting to CANNIBALISM as growing human activity and development shrinks their natural hunting ground.

Ilya Mordvintsev, a senior researcher at the Russian Academy of Sciences Severtsov Institute of Ecology and Evolution, said that while polar bears have exhibited cannibal behaviour before, it's now becoming a lot more commonplace.

According to Mordvintsev, increased development of Russia's Yamal Peninsula and the Gulf of Ob by oil and gas companies have fuelled the degradation of polar bear hunting grounds and disrupted the animals' feeding habits.

The region is a hot spot of development for major gas and oil producers like Gazprom and Novatek.

Mordvintsev said: "The signals are coming not just from scientists, but also from the growing contingent of employees of oil and gas companies and the Defense Ministry.

Polar bear cannibalism often happens when a malnourished male bear attacks a female and her cub – eating the cub.

Rising temperatures in the Arctic and melting ice cover have also forced polar bears further south in search of food, making them more likely to come into contact with human settlements – and start eating PEOPLE.

Video showing polar bears wandering into cities in Siberia and rummaging through garbage in the Russian Arctic have drawn worldwide concern.

Russia's government said the country is warming 2.5 times faster than the rest of the world.

THE VOICE OF YOUR BRITAIN

Gender plan makes fools of our royals

WHEN Meghan Markle was revealed as Prince Harry's new girlfriend, every right-thinking person cheered to the rafters!

Here was a modern young woman who had made her name in Hollywood, bringing a breath of fresh air to the Royal Family.

As the icing on the cake, a mixed-race member of the Royal Family proved that our most ancient institution could adapt to modern ideas of inclusivity and diversity.

Oh, how the dream has soured.

The marriage of Meghan and Harry seems to have driven a wedge into the Royal Family and created a rift between the Duke of Sussex and his older brother, Prince William.

Indeed, the friction between the siblings bring to mind the rift that emerged between the Duke of Windsor and King George VI after the Wallis Simpson debacle.

And the petulant manner in which Meghan and Harry and conducted their negotiations with Her Majesty the Queen are in no way becoming for a prince of the royal blood.

But Harry and Meghan's decision to go "gender neutral" is beyond the pale.

Like it or not, this childish pair are still members of the Royal Family and their behaviour reflects on all the royals.

By embracing this ludicrous notion that gender bends like a sapling in a breeze, the Sussexes are making fools of themselves and a fool of Her Majesty.

For the love of our nation, they must stop this nonsense!

Vegans are a virus in need of red meat

THERE is no issue so serious that the vegans of this world cannot reduce to farce.

Now they want us to stop the battle against coronavirus, claiming it is a genocidal assault on another species.

What utter poppycock these lentil-munching nincompoops spout!

Maybe if they ate a bit more red meat and tasty offal, their wits would not be quite so addled.

Facebook is to ban ads claiming to cure disease

FACEBOOK is to ban ads for "coronavirus cures" in an attempt to curtail misinformation and fearmongering about the outbreak.

The social network will now ban ads that mention the bug if they promise to cure or prevent the virus, or attempt to "create a sense of urgency" about it.

In a statement, a spokesperson said: "We recently implemented a policy to prohibit ads that refer to the coronavirus and create a sense of urgency, like implying a limited supply, or guaranteeing a cure or prevention."

"We also have policies for surfaces like Marketplace that prohibit similar behaviour."

Facebook, like other tech platforms, is currently grappling with a surge of panicked conversation and sometimes outright misinformation about COVID-19, which has killed almost 3,000 in recent months.

The firm utilises fact-checkers to check dubious claims and subsequently suppress them in its newsfeed.

Fearmongering has already got people flocking to Facebook groups to buy medical masks in bulk.

Hitler 'tache back to keep out killer bug

THE Hitler moustache is set for a comeback as the distinctive toothbrush 'tache could prevent you DYING from coronavirus!

An infographic from the Yank Centers for Disease Control shows how different styles can prevent face masks and respirators from sealing against the face.

And it shows the 'Hitler' could save your life!

The CDC recommends 12 styles as appropriate for a face mask: clean shaven, soul patch, side whiskers, pencil, toothbrush or Hitler, lampshade, Zorro, Zappa, walrus, painter's brush, Chevron and handlebar.

A soldier who served with Adolf Hitler says the German chancellor shaved to allow a gas mask.

Alexander Moritz Frey wrote in an essay that when Hitler was serving in World War I, he was told to clip his moustache to its famous shape so it would fit under the mask and, when the War was over, he kept it.

Militant vegans claim battle against death bug is 'nothing short of genocide'

MICROBE DEFENCE: Meadow claims it's species-ist to kill virus

MILITANT vegans have called for a HALT to the battle against coronavirus, calling it "nothing short of genocide".

The world is currently struggling to contain and eliminate the bug – caused by Chinese people in Wuhan eating bats and snakes – which has so far claimed three thousand lives worldwide.

Borders are closing and infected areas are being sprayed with powerful disinfectant to kill the virus, named COVID-19 by scientists.

But Meadow Sugarsweet, founder of Save All Species, claims that the all-out attack on the bug is species-ist.

The modern dance graduate harrumphed: "We go all-out to save the whales and the polar bears and rightly so."

"But at the same time, we are hunting down, eliminating and also marginalising another living species, COVID-19."

"As a vegan, I see the continuing attacks on COVID-19 as nothing short of genocide at a microscopic level and the continued use of pejorative and outdated terms as clear species-ism."

A source at the World Health Organisation, which is leading the fight against coronavirus sighed: "It was only a matter of time before one of these daff tweets came out with some utter bilge like this."

Brits Ted & Marcia's Tenerife tan hell

By SUZIE SHELTON
news@sundaysport.co.uk

FED up with being confined to their hotel because of a coronavirus scare, Ted and Marcia Phelps made a daring escape bid and headed for Tenerife Airport... and home.

But the couple's plans were scuppered when eagle-eyed airport security saw evidence they had been at the doomed Costa Adeje Palace Hotel – the white bits on their faces where they'd been wearing MASKS while sunbathing!

Retired engineer Ted and wife Marcia, from Worcester, were stunned to be told they

had to remain in quarantine when an Italian doctor sparked an infection alert at the 1,000-room hotel.

Ted, 73, said: "They let us sunbathe in the hotel grounds but, like most people, we wore masks while on our sun-loungers – to prevent infection."

"But we got fed up after a couple of days and I said, 'Marcia, we're going home'. We dragged our cases over the

back fence and flagged down a taxi for the airport."

"We were almost home and dry when a security man said, 'Have you been at the Costa Adeje Palace Hotel?' Marcia asked, 'How did you know?' and he pointed out the mask-shaped tan lines on our faces. It was a fair cop."

"They sent us back to the hotel and we've had to restart our two-week quarantine."

"You've got to laugh!" Ted and Marcia, 69, were among 160 Brits caught up in the lockdown at the hotel.

Banana down undies lets you pump on plane

THE firm that gave the world fart-filtering underpants has come up with another useful gadget which allows you to pump on a plane without causing a stink!

The Shreddies Carbonana, costing £19, is a banana-shaped foam insert designed to be worn in the back of underwear – between the buttocks – to filter out flatulence odours.

An employee at Shreddies Ltd, based in Leicester, came up with the idea after their own uncomfortable experience on board a flight to New York.

Niket Sonpal, a New York City-based gastroenterologist and professor of clinical medicine at Touro College, explained that at 6,000-8,000 feet the air pressure in aeroplane cabins causes swelling of the gases in the human body – often leading to excess flatulence.

A spokesman for Shreddies Ltd said: "The Carbonana will improve passenger comfort for all on board – this is a real game changer for air travel."

WOMAN TURNED DOWN SEX... THEN STARTED HOOVERING

LUST BUSTER:
Victim cleaned
up before attack

A MENTALLY ill man hurled stones, rocks and bricks at police and damaged a cop car after attacking a woman in her home.

Adam Roughton, 20, pleaded guilty to common assault after he lost his temper on July 3 last year.

Prosecutor Paul Prior told Leicester Crown Court: "It was a quasi domestic incident."

"The defendant went to the home address of the complainant, where they argued."

"Towards the end of the row, he suggested they have sex, which she declined – and began hoovering."

"A neighbour heard the commotion as Roughton then threw the Hoover at the victim, which struck her face."

"He threw her keys away, and through a window a neighbour saw the defendant throw a child's bicycle in the woman's direction."

Mr Prior explained that outside the house – in Crown Hills, Leics

Welsh want leek emoji

WELSH food bosses have called for the creation of a new LEEK emoji – to celebrate St David's Day.

The veg is a national emblem of Wales, which proud countrymen have pinned to their clothes for more than 700 years.

But government food chiefs want the ancient tradition to get a modern twist – with a leek emoji to use on messaging apps.

Food & Drink Wales – run by the Welsh Government – say the emojis will help plug Welsh-grown produce.

Environment Minister Lesley Griffiths, said: "It would be gratifying to see this reflected as an emoji."

– as the victim looked for her keys, Roughton held her as he punched her head.

He added: "She was shouting for help as he pulled her, by her top, to the ground and continued punching her head."

"She was punching him as a neighbour pulled them apart."

The police were nearby on an unrelated matter, and a member of the public reported the incident.

When they arrived, two officers found Roughton in the middle of the road, without clothing to his upper body, and bleeding.

Roughton told a female officer as she opened her door: "Don't get out of

the car, I don't want you."

Roughton picked up a number of large stones and half-bricks and threw three at the officer, just missing her head.

Others were hurled towards her colleague but no injury was caused.

Missiles struck the police car causing £1,473 worth of damage.

The prosecutor said: "The defendant ran off and collected more rocks. He was advancing towards the officers with one in each hand."

"They withdrew their defensive gear and asked him to drop the stones, which he did, and was arrested."

The judge made a hospital order under section 37 of the Mental Health Act 1983.

Poo-flag row SNP chief is in the clear

AN SNP council chief who tweeted a picture from an independence rally showing a union flag flying from a pile of poo with the phrase "Ram yer union up yer hoop" has been cleared of any wrongdoing.

South Lanarkshire's council leader John Ross (above) did not breach the councillors' code of conduct the Standards Commission has found.

The Hamilton South councillor came in for criticism in November last year when he tweeted: "The perfect answer to our unionist friends."

Cllr Ross later deleted the tweet and apologised for any offence it may have caused.

At the time, he said: "The wording and images were not the sort of thing I would use myself and when I had a chance to reflect on this, I decided to delete the tweet from my timeline."

"I never intended to offend and my apologies go to anyone who was offended."

Sex beast hid in cupboard

A MAN broke through a neighbour's roof before hiding in their kitchen cupboard to avoid arrest over sexually motivated break-ins, police said.

The 38-year-old fled as detectives executed a search warrant on his house.

He escaped through a window, before allegedly breaking a hole in next door's roof and climbing through.

When cops found him, he was hiding in a cupboard under the kitchen sink at the house in the Campsie area of Sydney, Australia.

He was treated for superficial injuries in hospital before being hauled off to the cells.

He was charged with committing a sexual act with another without consent, stalking and intimidating, burglary and a series of other charges.

I'VE GOT JEREMY CLARKSON'S SPUDS STUCK UP MY ARSE!

GRAPES OF WRATH: Eric's farmers have led him to take extreme action

Piles martyr Eric blasts star's potatoes as 'wrong shape'

TALK about being a victim of your own success...

More than 100 people turned up when Jeremy Clarkson threw open the doors to his farm shop for the first time.

The venture stalled as customers were forced to go back home because of the wet and muddy conditions.

Eric Stoute DID get through the mud and bought five pounds of Jezza's spuds – but now he's fallen victim in a very different way.

Chalfonts

Because Eric, 65, wasn't buying the motormouth presenter's potatoes to make mash...he reckoned they'd cure his PILES!

And now he's got three of the buggers wedged up his ARSE!

Eric, of Oxford, groaned: "I'm a ruddy martyr to my Chalfonts. I'm on a long waiting list for an op but I'm always in agony."

"So when I read that potatoes up the bum can cure them, I thought I'd kill two birds with one stone – get some spuds for my nipsy and see Clarkson's place at the same time."

But when Eric got the spuds home and nudged the first one past his bum-grapes he was

SUNDAY SPORT EXCLUSIVE By SIMON DEAN

disappointed.

He said: "There was no relief, so I put two more up. Still no effect. And now they won't budge. I reckon Clarkson has grown spuds that were the wrong shape to put up your arse."

"There were no signs to that effect and I may have to sue him."

Alas, Eric has fallen victim to an old wives' tale that claims wedges of potato – not WHOLE spuds – can relieve haemorrhoids.

Cheaper

The craft remedy is ineffective and last week medics warned against it.

Former *Top Gear* host Clarkson, 59, launched 'Squat Shop' – which promises produce cheaper than Aldi – at his farm, Diddly Squat, near Chipping Norton, Oxon, last weekend.

He has been running the 1,000-acre farm for a year for a forthcoming Amazon Prime show called *I Bought a Farm*.

Nutcase used picture frame to kill her dad

A WOMAN smiled to family members in court before she was sentenced to 30 years in prison for fatally stabbing her father 69 times.

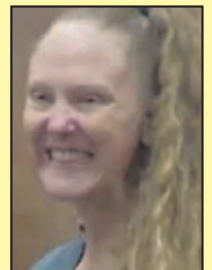

Amber Maltese pleaded guilty to second-degree murder for the February 2015 killing of her father, Alfred Megathlin, at his apartment.

The daughter, who was receiving mental health treatment before the murder, used arrows, a knife and a PICTURE FRAME to carry out the deadly attack on her 60-year-old dad, police said.

Following the killing Maltese, wearing only underwear, hopped in a car and then rammed a police vehicle, leading to a high speed pursuit.

She eventually gave herself up to cops, the court in Brevard County, Florida, heard.

Maltese (right) had only just been released from the nuthouse on the day she savagely killed her father.

Man 'coerced daughter's pals into a sex cult'

A MAN is to go on trial accused of brainwashing his daughter's college pals into a sex cult.

Lawrence Ray (above), 60, appeared in court after being arrested earlier this month on charges of extortion, sex trafficking and forced labour.

He is alleged to have forced some of the male and female students into making sex videos, which were used to coerce and extort them, forcing one victim into prostitution.

The pre-trial judge at Manhattan Federal District Court revealed the evidence the FBI found.

It included hard drives, mobile phones, laptops and cameras.

Hundreds of photos were also found at Ray's home in Piscataway, New Jersey.

Ray used physical and psychological threats to indoctrinate a group of students who attended an elite liberal arts college with his daughter Talia between 2010 and 2018, it is claimed.

He has pleaded not guilty and is due in court again on March 19.

Boffins make sliced mayo

BOFFINS tired of trying to find a cure for cancer have turned their attention to life's really big problems – they've invented sliced mayonnaise.

Now, instead of struggling to spread the stuff on your bread, you can simply place on the pre-sliced mayo before you stick the ham and cheese on.

Created by Japanese food giant Bourbon, it will be launched next month – but has already caused a stir on social media.

Some Twitter users have dubbed the product "innovative" and "the best thing since sliced bread", while others claim it's "disgusting".

Another wrote: "Sliced mayo exists. WHY does sliced mayo exist?"

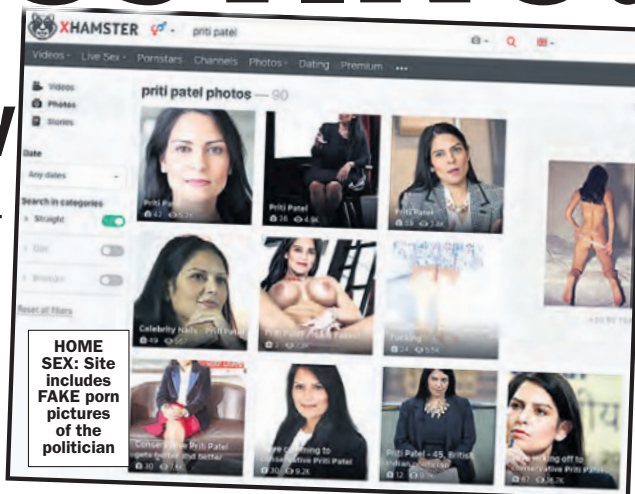

But some fans have been left very split, with one writing: "I am both grossed out and intrigued."

Sex people set up kinky porn pages in tribute to Home Secretary

THE knives are out for Home Secretary Priti Patel, it seems

which *Sunday Sport* has chosen not to reproduce for reasons of national security.

Last night a Home Office source said: "The Home Secretary is a serious politician whose responsibility it is to protect the people of the United Kingdom from a host of threats from terror to organised crime."

"She would not allow herself to be distracted by trifles such as this."

That said, a distraction could be just what the Home Secretary needs.

As well as taking flak from the Opposition over proposed new immigration rules, she has also been plagued by briefings against her.

Last weekend *The Sunday Times* claimed the Home Secretary has not been receiving the same security and intelligence briefings as predecessors because MI5 officials do not trust her.

She has also been accused of trying to force out Sir Philip Rutnam, her most senior civil servant.

The Home Office and the Cabinet Office have both denied what they call "false reports".

Perv caught w**king in library sent to nuthouse

A MAN caught furiously masturbating in a public library has been sent to a psychiatric hospital.

Ryan Douglas Martin, 23, has been sent to a facility where he'll be "supervised as a care recipient", a judge said.

A court heard that in October last year, Martin was at the Robertson Library in Dunedin, New Zealand, where he used the free Wi-Fi to view porn on his computer while masturbating under his clothing.

While students could not see his genitalia, his screen and fumbled movements were fully exposed to all.

Two female students alerted the authorities and Martin was held.

He later told police he was "ashamed" of his behaviour.

The court heard Martin had also made repeated contact with young women via social media.

Judge Emma Smith said: "The real problem for you is you have difficulties regulating your sexual interests and the way you get sexual gratification."

A detailed report on Martin's mental health assessed him as being at risk of continuing to make contact with young women.

DOC 'LICKED WOMAN'S VAGINA DURING EXAM'

A WOMAN has spoken of her shock after realising that her gynaecologist had allegedly started licking her vagina during an intimate examination.

The woman, identified only as Angelique, decided to speak out now after making a complaint about the matter in 2014 and saying that nothing had happened.

She said the doctor was still working, although no longer as a gynaecologist, and urged authorities to finally take action.

On the day of the alleged assault, she said the man had set the examination chair up so that she had to lie backwards in a way where she could not see what he was doing when he examined her.

She said: "I asked him if this was new, but he said he always put the seat like that."

She said she had not thought anything more of it, as she "trusted him blindly", but as she was lying there, she was shocked when she allegedly felt his breath near her private parts, and a short while later she allegedly felt his tongue.

The woman said: "I told myself, I am dreaming, He's not doing that. I felt his tongue a second time, then a third time."

She said that she was so shocked by what had happened she had been unable to return to Arras, France, where the gynaecologist had his surgery.

In 2015, the gynaecologist was indicted for rape by a person abusing the authority conferred by his duties and sexual assault. He was placed under judicial supervision and was prohibited from practising.

Prison shrink facing jail for inmate romps

AN ex-prison mental health counsellor has pleaded not guilty to having sex with an inmate at the jail where she worked.

Victoria Calogero, 31 (above), was arrested last month and faces up to five years inside after being charged with sexual exploitation of a prisoner.

The investigation began in September last year after a lag at Southern State Correctional Facility in Springfield, Vermont, told staff there he'd had sex with Calogero.

He told investigators months earlier he had been seeing her for counselling, and they shagged in her office more than 20 times between July 2017 and June 2018.

The unnamed inmate said the location of Calogero's office allowed them to hear outer doors unlock, giving them warning of anyone approaching.

The jailbird also said their sexual relationship continued after he was released as she went to meet him in a motel where he was living.

ROSE WEST CAN DEAL A PACK OF CARDS WITH HER 'CLEVER' MINGE

Locusts should duck for cover

CHINA is preparing to deploy 100,000 DUCKS to neighbouring Pakistan to help tackle swarms of crop-eating LOCUSTS.

Chinese agricultural experts say a single duck can eat more than 200 locusts a day and be more effective than pesticides.

Pakistan declared an emergency earlier this month, saying locust numbers were the worst there in two decades.

Millions of the insects have also devastated crops in East Africa.

Last week the Chinese government announced it was sending a team of experts to Pakistan to set up “targeted programmes” against the locusts.

A senior researcher with the Zhejiang Academy of Agricultural Sciences described the ducks as “biological weapons”, as they can scoff more than three times the number of insects than chickens.

Swim bath w**kers 'get you pregnant'

WOMEN can fall pregnant in swimming pools 'even without penetration' if men with 'strong sperm' ejaculate into the water, a barmy health boss claimed.

Siti Hikmawatty, the commissioner for health, narcotics and addictive substances at the Indonesian Child Protection Commission (KPAD), made the extraordinary claims.

"There is an especially strong type of male sperm that may cause pregnancy in a swimming pool," said Ms Hikmawatty (above).

She has since apologised for her comments, saying they were made in a 'personal capacity' and she revoked the statement after she faced a backlash on social media.

Doctors say it would be impossible for women to get impregnated in this way.

Angel pooped in kids' playground

A MAN has been charged with indecency after he stood naked outside a child care centre and did a SHIT.

Childcare staff were preparing to send children out to the playground when Ricky Angel was seen next to a barn on the property, nude and "apparently finishing up defecating next to the playground".

"He was standing there naked," the worker told 911 dispatchers.

"When I came out here, I screamed at him.

"He took off running up the hill, but left all of his clothes with crap all over it in my kids' playground."

The incident happened at the Little Jacobs Ladder Learning Centre in Troy, Ohio.

FORMER ROYALS TO GO 'GENDER FLUID' TO WIN WOKE FANS

GENDER BENDERS: Harry and Meghan will swap names in new move

THEY'VE gone too far now!

Harry and Meghan last week drew the fury of commentators by petulantly asserting Her Majesty The Queen had no right to prevent them using the word 'Royal' in their business dealings.

But now they're in danger of alienating their most ardent admirers by adopting barmy 'woke' ideas and going fully GENDER FLUID!

Insiders close to the couple – who now live in Canada – say they want to "explore non-traditional gender roles". And that will mean ditching their titles of Duke and Duchess of Sussex to become the Dx and Dx of Sussex!

Even worse, pals say that the

SUNDAY SPORT EXCLUSIVE

By BRAD CHADWICK in Canada

increasingly-erratic pair will "alternate their gender roles and names to forge a new gender paradigm".

That means that some days Harry will call himself Meghan and Meghan will call herself Harry.

Themselves

What's MORE, we won't be allowed to use the words "himself" and "herself" when referring to Harry/Meghan and Meghan/Harry as only the term "themselves" is accepted by the gender-fluid community.

Last night a Buckingham Palace source said: "When the Queen heard

about this, she picked up a £1million Fabergé egg and hurled it at a Queen Anne mirror. I've not seen her so angry since a drunk Princess Margaret shot a flunkey back in Silver Jubilee year."

It's believed that Harry and Meghan have chosen to tread the gender fluid route to win fans in the young "woke" community, who eschew traditional concepts of gender roles and identities.

A concerned source close to the couple said: "This is going to impress about three and a half people in California but the rest of the world will simply imagine they've gone

barking mad. They have already thrown away their position in the world's most privileged family – and now this?"

Even Meghan's estranged father voiced concerns about the pair's recent behaviour.

Thomas Markle hit out at his daughter in a furious outburst after she and Harry were forced to confirm they would not use the word Royal after quitting The Firm.

The royal row erupted last month when the couple were forced to ditch their "Sussex Royal" brand when the Queen hired top lawyers to ban it.

Teacher sent fingering vids to student

A TEACHER'S aide has been charged with sending sex texts and FINGERING VIDEOS to a 17-year-old special needs student.

Lindsey Thorson, 27, was charged with "transmission of materials harmful to minors" and tampering with evidence.

An investigation began after the student's friend ran away from home, fearing he would get in trouble at school for telling on Thorson after the student shared screenshots of the text exchanges.

He told school officials about the photos of messages swapped between Thorson and the student on Instagram.

Thorson (left), who works at Fieldston Preparatory School in Titusville, Florida, is out on £3,500 bail.

Squatters left sex toys in flat

SQUATTERS left behind spunk-stained carpets, underwear, dirty dishes, a snake and SEX TOYS in a flat.

She obtained a writ for the Sheriff's Department in Denver, Colorado, to evict the squatters.

"There were guys' underwear all over it. It was really disgusting," Feldman said.

"There were sex toys found in the apartment as well that I did not want to touch."

The squatters even left behind a snake in a cage with no lid.

You guessed it, they're all from Wales.
And today our friends from across Offa's
Dyke celebrate their very special national day
- St David's Day!

And what better way to celebrate the life
and works of a sixth century holy man than a
whole load of lovely Welsh BREASTS.

It's enough to gladden your heart like a good
sing song at a pit head before going to chapel.

St David is best known for founding the tiny
city that carries his name - and for ordering
Welsh soldiers to wear leeks in their hats
when going into battle against the
godless Saxons.

OK, so Spider-Man had much better
superpowers, but this was a long time
ago and back then it was seen as very
impressive indeed...

10 things you might not know about CANARY ISLANDS

YOU don't hear a single thing about the Canary Islands for months, then you get two huge stories in a week.

First the holiday islands were cloaked in a vast dust storm that blew in from nearby Africa, then the H10 Costa Adeje Palace Hotel on Tenerife was placed on lockdown over coronavirus.

But what do we know about these remote, sun-baked islands?

Here are some facts you may not know...

1 THE Canary Islands are a self-governing part of Spain and the most outlying part of the European Union.

2 THE canary bird was named after the islands, not the other way round. The islands are named after the Latin word for dogs because seals that once lived there were called "sea dogs".

3 THE eight main islands are Tenerife, Fuerteventura, Gran Canaria, Lanzarote, La Palma, La Gomera, El Hierro and La Graciosa.

4 THE islands sit just 62 miles from the African continent – but they are a full 1,056 miles from the Spanish mainland.

5 ALL of the Canary Islands were formed from volcanic eruptions. The most recent eruption was Tenerife's Mount Teide, back in 1909.

6 AROUND 12 million visitors arrive every year – five million of them Brits – and Tenerife is the most popular. The native population of the Canary Islands combined is just over 2.1 million.

7 THE island of La Gomera developed a form of whistling language called "Silbo Gomero" to communicate across the wide valleys.

8 CHRISTOPHER Columbus used the islands as a stopover on his way to the Americas.

9 THE world's worst ever aviation disaster happened in Tenerife. On March 27, 1977, two Boeing 747s collided on a foggy airport runway. A total of 583 people were killed while one of the planes was taking off.

10 THANKS to their dramatic and varying landscapes, movies including *One Million Years BC* (1966), *The Land That Time Forgot* (1975), *Clash of the Titans* (2010), and most recently *Fast & Furious 6* (2013) have been filmed on various islands in the Canaries.

Chasing young people? Leave that to nonces!

"WE must attract younger readers/listeners/viewers/customers/members/voters/participants".

Whether you work in the media or in retail, if you're a member of a voluntary organisation, a political party, if you fish, garden or just like walking in one, you will have heard those, or similar, words.

This old country, which on the whole is run and paid for by older people, seems obsessed with youth and every organisation is hell-bent on attracting younger people.

The reasoning for this – as Whitney Houston would have it – is that "the children are the future".

Clueless

To which I say, BOLLOCKS.

The children are simply the older people of the future, but in a race to make everything hip and available in bite-sized segments for people with the attention span of a gnat, older people are being short-changed.

So we have newspapers filled with articles about people who folk over 40 are clueless about.

We have *Gardeners' World* – *Gardeners' World*, for f**k's sake – crammed with features about "global warming" and "inclusivity" and "diversity".

Go to church and there's some 14-year-old oddball at the front rapping the Lord's Prayer, go out in the hills and there's a long line of surly teens being dragged around by some twat in a beard convinced that he's "introducing them to the outdoors".

No pal, you're making a lot of children wet and cold – which would be frowned on anywhere else.

Look, young people will get into middle-age pursuits when they get middle-aged. That's the way of things and always will be.

Yoof

This drive to make those pursuits "attractive to young people" will repel those already enjoying them.

This is a point made by Radio 4 presenter Justin Webb.

I'm a very recent convert to Radio 4 and I love it. But I'm 47.

Webb warns that by the BBC targeting everything at "yoof", they're throwing the middle-aged baby out with the bathwater.

Writing in the *Radio Times*, Webb said: "When BBC bosses say the young aren't listening to BBC radio any more and we have to treat this as an emergency and run around as if our pants were on fire, my first reaction is, 'Hey, what took you so long?'"

"My second is... Perhaps the young will get old. It has happened before. Perhaps radio will outlive this panic, as it has outlived others."

"But it'll only outlive it if bosses resist the temptation to destroy the wireless in order to save it."

The young are daft and fickle. Chasing what they "want" is a fool's errand.

Best leave chasing after them to the nonces.

WILLY WANKA

Augustus Gloop star caught playing with pud on train

SUNDAY SPORT EXCLUSIVE

By WENDY THOMAS

AGED 10, William Franklin wowed an audience playing unlovely tubster Augustus Gloop in an amateur production of *Willy Wonka & the Chocolate Factory*.

Fast forward 20 years and Franklin put on another performance that caused an equal – if less welcome – stir.

Because a solo sex act in full view of rail passengers landed Franklin, 29, in the dock.

Single Franklin, of Splint, Cumbria, was on a train outside Carlisle when he was spotted "masturbating absent-mindedly" as he looked out of the window.

One witness told magistrates: "He didn't seem to care if anyone saw what he was doing."

When arrested by cops who had been called to the next station, Franklin first denied he had been masturbating but later claimed to have a condition called "non-cognitive spontaneous arousal" that caused him to masturbate without realising it.

Unpleasant

But he pleaded guilty to outraging public decency when he appeared before JFs, who were told the condition did not exist.

They handed him a two-year referral order and ordered he sign the Sex Offenders' Register for five years. He was also ordered to pay £250 costs.

The software developer made no comment outside court.

A local in Splint who recalled Franklin's Augustus Gloop role said: "He played the part to a tee. It helped that he was so fat. Now he's into the wanking, eh? Fair play to him."

Augustus Gloop, one of the many unpleasant characters in Roald Dahl's famous book, was played by Philip Wiegartz in the 2005 film version and Michael Bollner in the 1971 Gene Wilder adaptation. Neither actor has ever masturbated on trains.

TOSSED OFF: Shamed Franklin (main pic) once played Augustus Gloop role on stage and (above) the original Augustus Gloop from the 1971 movie

Hospital porter sucked patient's toes

HELD:
Frantz
Beldorin

A KINKY hospital porter has been nicked for SUCKING on a patient's foot.

Frantz Beldorin, 23, was arrested last week after he allegedly slurped on a shocked patient's toes.

The unnamed patient told police they felt their right foot being touched late at night at Gulf Coast Hospital in Fort Myers, Florida.

They initially assumed a nurse was checking for swelling.

But then they felt their foot being touched again, and then for a third time – feeling

something between their toes.

After the third time, the patient looked up only to find Beldorin on his knees with his head bent over their foot.

The patient yanked their foot away and Beldorin went back to his seat in the room, where he was working as a "sitter" for the patient's roommate, who had been deemed a flight risk.

Later on, Beldorin asked the patient if they were alright and that's when they called for assistance to report him to the responding nurse.

Security was called and

Beldorin was arrested on charges of battery on a person 65 years of age or older. He is being held at the Lee Co Jail on a £1,000 bond.

A FORMER porn star was sentenced to 10 years in prison for trying to hire a hitman to murder the father of one of her kids.

Katrina Danforth — who performed under the names Lynn Passion and Lynn Pleasant — was sentenced in an Idaho federal court after she pleaded guilty in December to seeking a contract killing.

soliciting turned out to be an undercover cop.

Over a period of three weeks in 2018, before her arrest, Danforth called the undercover cop four times and emailed him a "thank you" card with a £3,000

down payment.

Shortly after she was arrested, the X-rated actress said she had no idea why US Marshals had cuffed her, adding: "I don't really know, precisely."

During her adult film career, Danforth made eight grot movies from 2005 to 2010, according to her IMDb page.

AND CORRIE IN THE SACK!

SOAP STAR: Stunna in *EastEnders* (above) and (below) Corrie

By SIMON DEAN simon@sundaysport.co.uk

ESTHER Hall is a busy woman...

She is currently working as Cindy Watson – editor of *Coronation Street's* local paper, *The Weatherfield Gazette*.

And when she's not getting scoops on the cobbles, she's the GP in Albert Square, filling the *EastEnders* shoes once occupied by Dr Legg.

Of course, Esther, 49, is most famous as the MILF in BT's iconic TV ads – which made us all rather less frustrated about the company's inability to install our WiFi in anything less than two decades.

But...

Gorgeous

What you may not know is that before Corrie and before *EastEnders*, sexy Esther was a dab hand at getting her gorgeous BOOBS out!

In 2001 she stripped in the movie *Men Only* and two years later she stripped bare in *Sons and Lovers*, a TV adaptation of dirty DH Lawrence's famed novel.

A fan said: "In the BT ad she was getting banged by him off *Death in Paradise* – and who can blame the lad. Phwoor!"

I wonder if she could handle my big black racket

BY retiring from the tennis world, Maria Sharapova isn't only giving her own right arm a rest...

She's also going to deprive many of her male fans their favourite sport – furiously wanking while watching her whack a ball over the net.

So, it's not surprising the 32-year-old's withdrawal from the top-flight game caused widespread disappointment when it was announced on the BBC Sport Twitter feed.

Callistus Calle Bunke Nwabuikwu commented: "We shall miss her sonorous and sexy moans whenever she's playing. Most men watch her and Serena (Williams) just for that."

And Dave Best was more blunt, asking: "I wonder if she could handle my big black racket."

A pal of the tennis ace said: "Maria will be sorry to leave the circuit but not sorry to leave behind this sort of crude sexism."

Meanwhile, bookies have slashed odds against Maria taking part in this year's *Strictly* after she announced her retirement from the sport.

Slashing

Ladbrokes have placed her muted participation in the upcoming series of the dancing show at 2/1, with their rivals Coral also slashing their odds to 3/1.

Alex Apati of Ladbrokes said: "Strictly chiefs could serve up the best line-up ever this year with Sharapova potentially taking part in the show if the latest odds are anything to go by."

**Robyn:
I love
sausage
in the
morning!**

By WENDY THOMAS
news@sundaysport.co.uk

IT'S no secret that Robyn Lambert loves SEX first thing in a morning – but she also loves BANGERS, as well as banging!

The 32F scorcher said sex in the morning is a priority but when she's seen to that need, she loves a fry-up – especially on the Sabbath.

The 22-year-old, from Milton Keynes, said: "I love morning sex. It starts the day off so well and refreshes you even more than a nice cup of tea!"

"But once you're both spent, you need to get your energy back up and that's when the traditional English breakfast comes in.

"I love bacon, eggs, beans, tomatoes, fried bread, mushrooms and, of course, sausages!"

"I think that spending just a little bit more on a good, high-meat content sausage is so important."

My perfect Sunday...

Katie Marie, 26, 32E, from Feltham, west London

KATIE: I'VE GOT A SWEET TOOTH

By WENDY THOMAS
news@sundaysport.co.uk

CURVY Katie Marie loves her puddings and her ideal Sunday would be spent in a dessert restaurant.

She said: "You must have seen them – they're eateries where everything on the menu is a dessert.

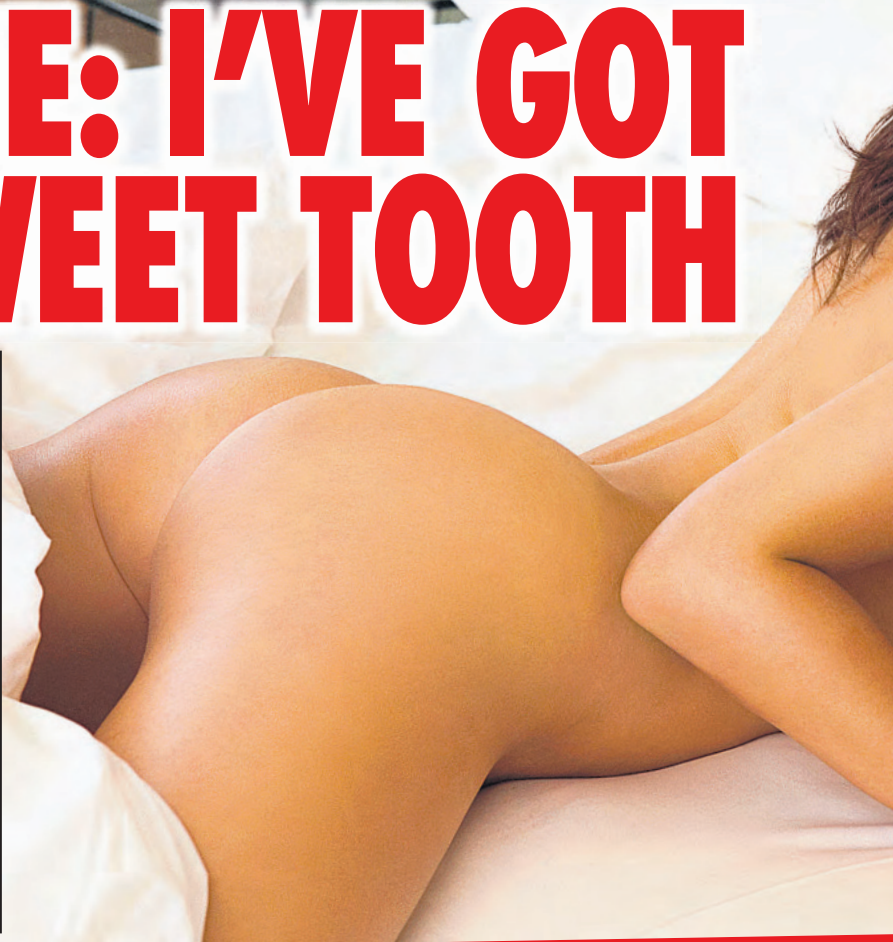

"Lovely waffles, ice creams, pancakes, cakes, sundaes – more ice cream and lashings and lashings of fizzy pop.

"Of course, you could not eat there every day because you would end up the size of a house and with diabetic feet and rotten teeth.

Dream

"But my dream is to spend a full Sunday in one, just to see how far through the menu I can get.

"No doubt I would feel very sick after a full day scoffing desserts – but it would be worth it. Yum!"

PUB TALK

● THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Northampton...

FIRST TIME

JESSIE: I lost my virginity to my boyfriend's DAD when I was 18! He was divorced from his mum, not that it makes it any better. But what can I say? I was young and foolish and his dad was really sexy.

I'd been seeing this guy I met in the pub for about six weeks when one night his dad came in the pub.

He was only in his late 30s and was even better looking than my fella.

At first I thought he was just being friendly, but then he started really flirting with me.

I really fancied him. So another night, not long after, my boyfriend was away on a course and I was in the pub with some friends and his dad came in and we got talking.

At the end of the night, he told me he'd walk me home to make sure I was safe.

When we got to the door we ended up kissing.

I felt really grown up, and as my mum and dad were away for the weekend I invited him in.

One thing led to another, and before I knew it he was pulling my knickers off.

I knew I shouldn't, but I couldn't help myself.

He slipped a condom on and gently pushed it in. It felt amazing. He took things really slowly and kept asking if I was OK. Too right I was!

I orgasmed right then and a couple of more times soon after he asked.

I'm not sure who felt the most guilty afterwards, me or him. I broke up with my boyfriend two weeks later. He just didn't match up to his dad.

ELEANOR: I popped my cherry in my parents' caravan at 17, while it was parked on the drive!

I'm surprised nobody saw us, because it was one of those old rickety things and it felt like it was about to collapse while we were doing it.

My fella and I had sneaked in there with a couple of drinks, and after getting a bit pissed he started to get frisky.

We'd been seeing each other on and off for a few months and I really liked him, so after wanking him off for a bit I lay back on the pull-out bed and told him to climb on top.

I'd never seen him move so fast! It was a bit tight and because we didn't have any lube, we used a bit of olive oil that was in the cupboard.

It wasn't the sexiest thing, but it seemed to work, and I really enjoyed the sex – apart from all the creaking.

ORAL PLEASURE

ELEANOR: I went down on my fella as part of a bet. My boyfriend was a massive Manchester United fan while I support Arsenal, mainly because my dad had brought me up to.

I didn't actually follow football that much but stupidly made a bet that Arsenal could still win the league and told

him I'd give him a blowjob if I was wrong, which I was.

The last day of the season he came round to mine with a huge smile on his face, saying he wanted to cash in.

It was only morning, and normally we'd see each other in the afternoon, but what could I say? A bet's a bet.

So while my family were tucking into their breakfast downstairs, I tucked into his pork sword.

Even though it was my first time, I felt pretty confident, and think I did a good job. I didn't get any complaints anyway.

It only lasted about five minutes before he squirted his sperm into my mouth.

That wasn't very nice, so I spat it out on that occasion.

But once I knew what to expect, I started swallowing. Now I wouldn't dream of spitting.

JESSIE: The first blowjob I gave was on

'I began rubbing myself and had a brilliant orgasm – several, actually!'

this really fit lad in a club. I didn't even know his surname. He'd been eyeing me up all night, so I went over to talk to him and within minutes we were all over each other. He was an amazing kisser.

It was one of those clubs with loads of dark, hidden corners. He pushed me up against the wall and was really turning me on.

The next thing I knew he had his hand under my dress and was rubbing me over my knickers. I was so horny that I came.

Then I slid down and undid his pants. He had a fair sized willy and was so hard that I didn't want to disappoint him. So I put it in my mouth and started sucking.

Luckily for both of us it didn't take him long, otherwise one of the bouncers might have caught us.

Afterwards he had a really cheeky grin on his face and looked like he'd won the

lottery. He asked for my number but I didn't hear from him again.

BUM FUN

ELEANOR: I've only done anal with one boyfriend, but I loved it. He was pretty adventurous in bed, so when he found my vibrator hidden in my bedside drawer he wanted to use it on me.

I was so turned on when he started using it on me, and so was he. He got hard straight away and I really wanted him to shag me, but I didn't want him to stop using the vibrator either, so I asked if he wanted to do my other hole.

He thought I meant my mouth, so I gave him a quick suck and then guided him to where I actually meant. We needed a bit of lube and it was a bit sore at first, but as soon as he got inside me I exploded. Having his cock in one hole and the vibra-

tor in the other was the best feeling ever. **JESSIE:** I love anal, I don't know why such a big fuss is made about it.

I first did it about two years ago, and whenever I'm going out with a guy I make sure I get some. It's not something I do casually, but guys are always surprised when I suggest it – and I've never had anyone say no!

The first time was about four months into a new relationship with a rugby player. And let's just say he was well built, so when he started to probe my bum with his fingers and then asked if he could have sex with me up there, I was a tad nervous. But he was a great lover and made me relax so much that it just slid in. I didn't expect to get anything out of it but he must have found a G-spot as I came without even touching my clit.

I was worried afterwards that I'd be walking like John Wayne, but I've done it many times and never had any problems.

SELF LOVIN'

ELEANOR: I was watching a movie alone in my room one night and got so turned on by the lead actor that I felt this tingling sensation down below. I'd heard about masturbation, but thought it was wrong. Little did I know how right it was!

I started rubbing myself over my jeans, but I couldn't really feel anything. So I slipped them down a bit. My knickers began to feel wet, so I pushed them down and used my fingers on my clit. As soon as I felt myself coming, I pushed a finger inside and exploded. I went to bed so excited, I ended up having a sex dream.

JESSIE: I must have been a slow learner because it wasn't until I was going out with my first boyfriend that I started to play with myself for the first time.

Other girls had talked about it but I didn't really understand what they were talking about. But when I'd kissed the boy and felt his hands on me, I had feelings.

When I went to bed that night I began rubbing myself and it felt good. I had a brilliant orgasm – several, actually.

TOMORROW

Horror Channel, 12.50am, *The Disappearance of Alice Creed* – TWO men kidnap a young woman and try to blackmail her wealthy father. Bond girl Gemma Arterton flashes boob from seven mins in.

TUESDAY

Horror Channel, 12.35am, *Hollow Man* – KEVIN Bacon discovers the secret of invisibility and uses it as we all would – to look at ladies in the nip. We get to see Rhona Mitra's fine, fine busters at 59mins.

WEDNESDAY

ITV4, 9pm, *Beverly Hills Cop 2* – TEAL Roberts and Peggy McIntaggart dance topless on a stage as Axel Foley chats with his buddies at 48 mins.

THURSDAY

5 Star, 10.15pm, *Bad Teacher* – CAMERON Diaz plays a self-obsessed teacher who only takes on the job to earn enough money for a boob job. At 17 mins, though, watch Christine Smith showing off her own jawdropping boobs in the doctor's office. She even lets lovely Cam cop a feel.

TODAY

TOMORROW

St Davids: Britain's Smallest City – ITV, 8pm

DOCUMENTARY following locals in the Pembrokeshire community as they try to cope with the busiest summer season in history, with tourists

flocking to the UK's smallest city as a place of pilgrimage, a wildlife haven and an adventurer's paradise.

Lovely place, well worth a visit if you've never been.

Cracking cathedral and some smashing tea shops.

It's murder trying to get to the truth

Liar – ITV, 9pm

NEW series. Three weeks after his disappearance, Andrew's body is found on the Kent marshes and it's declared he was murdered.

Laura is trying to move on from her ordeal, but her initial relief upon learning of Andrew's death is cut short when she finds herself drawn into his destructive path and once again she must fight to be believed.

The return of Harry and Jack Williams's thriller, starring Joanne Froggatt.

OF THE TELLY

It's Buckin' great fun!

Uncle Buck – ITV, 2.35pm

AN unreliable but good-natured slob is called upon to look after his trouble-making nephew and nieces while their parents are away – and what starts as a disaster soon changes for the better as the unlikely babysitter gets to grips with the finer points of being a responsible adult.

Family comedy, starring John Candy, Macaulay Culkin, Jean Kelly, Gaby Hoffman, Amy Madigan and Laurie Metcalf.

Good, honest laughalong fun. Perfect for a grotty Sunday afternoon.

Live Snooker: Players Championship – ITV4, 6.50pm

COVERAGE of the concluding session of the final from The Waterfront in Southport, as the players compete for the title won by Ronnie O'Sullivan last year.

The Rocket was at his brilliant best 12 months ago in Preston to overcome Neil Robertson 10-4, to retain the trophy. Presented by Rishi Persad, with analysis by Stephen Hendry, Alan McManus and Neal Foulds, and commentary by David Hendon and Phil Yates.

McDonald & Dodds – ITV, 9pm

MYSTERY drama set in Bath, where the wildly ambitious DCI McDonald finds herself paired with the shy, modest DS Dodds, who has languished on the shelf for most of his working life.

However, it soon turns out the unassuming sergeant has a hidden talent for puzzle-solving. Their first case sees the pair looking into the shooting of a homeless man in the deserted mansion of local industrialist Max Crockett.

The Crocketts appear to be a close-knit group but it soon becomes clear they have secrets to hide. Jason Watkins and Tala Gouveia star as the detectives, with a guest appearance from Robert Lindsay.

TUESDAY

Nightmare Cruises: Going Overboard – C4, 8pm

DOCUMENTARY examining cases where passengers aboard cruise ships fell overboard. The programme examines the chances of survival for someone adrift at sea, and if enough is being done to prevent further tragedies and investigate the reasons for the incidents when they occur.

I don't know why people are so worried about falling overboard. You're far more likely to die of coronavirus or norovirus on a cruise.

Or be killed by pirates. I forgot about the pirates.

Britain Underwater: Fighting the Floods – ITV, 9pm

A REPORT from the communities that were hardest hit by the recent storms Ciara and Dennis, questioning if flooding is an unavoidable fact of life in modern Britain and if more can be done to protect people.

The programme features behind-the-scenes access to the Environment Agency, as their workers battle to stem flooding, as well as people who have been evacuated from their homes.

LEGENDS OF PORN

PART 97 SYDNEY COLE

By PENNY MARSHALL
news@sundaysport.co.uk

PERT-breasted Sydney Cole may not have the biggest boobs in the world – but her 32Bs are simply gorgeous.

She's a Californian girl, born in San Francisco on November 2, 1995.

Sydney joined the porn industry in 2015, and hit the ground running...

In her first year she did a whopping 60 scenes!

She scored some pretty important gigs with famous sites, including Brazzers, Team Skeet, Elegant Angel, Bang Bros, Mofos, and Devil's Film.

Sexy Sydney doesn't do anal, for now. But she does do solo, lesbian, boy/girl, threesomes and blowjobs and she's also up for some fetishes including bondage.

The stunna is also quite popular amongst feet porn enthusiasts.

And unlike a lot of porn stars, she is quite private about her personal life.

Her Twitter feed is all about her career and nothing about her personal life.

We don't even know what her real (non-porn) name is.

But we don't need to know what her real name is when we can see her swallow pint after pint of hot SPUNK!

PERTY WOMAN:
Beauty may be petite but she packs a punch with porn fans

SEXY Zoe Stollery was recently treated to a lovely romantic weekend away in Worcestershire.

But she ended up being STRANDED!

The 27-year-old said: "I was taken for a weekend away by my boyfriend in this little pub in a village right out in the middle of nowhere."

Flooding

"We knew there had been some flooding in the area recently but when we called to check the

pub was still open, they told us everything was still OK so we went ahead and travelled over."

Unfortunately, more rain further upstream caused another flood surge, cutting off the village and stranding Zoe and her fella.

She added: "We were stuck there for another 24 hours."

"Imagine being stuck in a pub! "We made it through somehow and thankfully, our feet did not get wet!"

ANGELA IS THE BREAST BRA NONE!

By WENDY THOMAS
news@sundaysport.co.uk

YOU are looking at the world's BEST porn star!

Angela White won an unprecedented 14 awards at the 'Oscars of Porn' – the 35th annual Adult Video News Awards last month.

And she is the only Aussie to be inducted into the AVN Hall of Fame.

The 32G beauty has a cool 2.5million Instagram followers and said her passion for her job is what separates her from other performers.

She said: "My passion is what makes me stand out as a producer, director and also as a performer."

"Fans want to see and feel a real connection on screen and they can tell when a performer isn't completely engaged."

However, Angela said she was criticised for the way she expressed her sexuality when she was younger, being called a "slut" and a "lesbian" and even being punched in the face.

But now the 34-year-old has turned the tables on her bullies – making thousands a day on the set of the world's most lavish grumble movies!

THE WORLD FAMOUS AGONY Page

Dear Ava,

I WORK in a factory. It's boring but loads of horny women work there and last month one of them, a blonde in her 30s, gave me a blowjob in the toilets at lunchtime.

The next day her mate wanted to see me. I was expecting another gobble but she demanded a shag.

Later that week I told my horny workmates it was my birthday soon. The blonde said she'd host a party for me and that she'd invite her mate, this gorgeous redhead in her late 20s who works in the office.

When I got there all three sucked me off and put on a lesbo show. It was the best birthday present I've ever had and our foursomes are now a regular event. How about that!

MT, West Yorks

Ava says...

I HOPE you take precautions or your factory will soon be making babies.

Dear Ava,

I WAS rummaging through my wife's clothes and found some crotchless knickers and a small vibrator.

I managed to wiggle my arse into her knickers, then I lay on the bed and proceeded to have a wank.

Then I switched on her sex toy and started to shag myself with the vibro. It felt great.

But my wife walked in on me, ordered me to bend over and shoved the vibro even further up my arse. She said: "If you want to dress like a bitch, you'll get f**ked like one."

I was a bit shocked by her reaction, but I'm starting to enjoy it. Anything wrong?

HY, South London

Ava says...

NO. It sounds swinging.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week AVA DALUSH has been reading your letters and emails. Here's her advice...

Rampant hunks can't stop falling into my booby trap

Dear Ava,

I'M a 20-year-old student and I have a fantastic sex life thanks to my huge 38DD boobs.

I can get any man I want just by flashing my cleavage.

I remember one time in particular last year on holidays. I went swimming with my pals and as usual all the guys were ogling me.

There was one guy in particular who couldn't contain his excitement and I decided to choose him.

I sauntered up to him seductively, my boobs bursting out of my costume, and invited him into the showers.

He followed me into the changing rooms and we locked the door. He reached over with trembling hands and let my top down.

My boobs sprang out at him and he quickly started sucking on them like a hungry baby.

He was rock-hard and, slipping off his

trunks, I wrapped his quivering cock in the ample mounds of my boobs.

I gave him a slow, sensuous tit-f**k until I could feel the pressure of his orgasm building up in his balls.

By that time my pussy was dripping with love juices and I whispered that I wanted him to f**k me long and hard.

He thrust his throbbing cock deep into my quim and shagged me furiously until he shot his load deep inside me.

A couple of days later, this guy's mate took me to a nightclub.

He could hardly keep his hands off me as we danced and boozed.

Throbbing

I knew he was desperate to get my tits out, so I whisked him down to the beach and soon we were naked in the sand.

He tugged on my nipples until they were hard, then sucked on each one in turn before pushing his throbbing cock between them until he spunked.

I've had so much fun with my boobs over the past couple of years that I'm now wondering whether I should have them enlarged further.

What do you think?

JM, Essex

Ava says...

SOUNDS to me like you and your boobs are quite a handful already.

Dear Ava,

MY lover works in a library and when I go to collect her we often make love before she locks up for the evening.

She's usually noisy in the sack but she doesn't make a noise when I slip her a length on one of the desks and even keeps quiet when she orgasms.

It's strangely soothing shagging in silence and I even resist the temptation to fart as I climax. What do you think about that?

BP, Wilt

Ava says...

THE last place I would consider bonking is in a library!

I don't know about Heathrow, but my jocks sure are expanding at the sight of you two together!

Not another word. Tell you what. Beat me at an arm wrestle and you can screw us both

MOMENTS LATER...

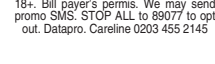

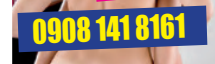

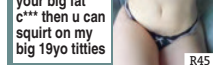

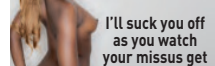

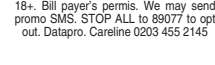

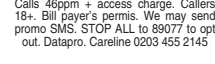

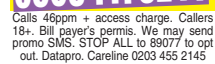

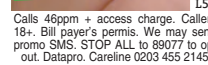

Ava says...

LUCKY chap!

Veronica: I like sex to be messy

By WENDY THOMAS
news@sundaysport.co.uk

COMING from the Czech Republic, sexy Veronica De Sousa is nothing if not blunt.

When we asked the 34D beauty what she liked in bed, she told us in technicolour detail.

She said: "My favourite thing of all is to have a man f**k me hard in the ass while I lick on another woman's wet pussy."

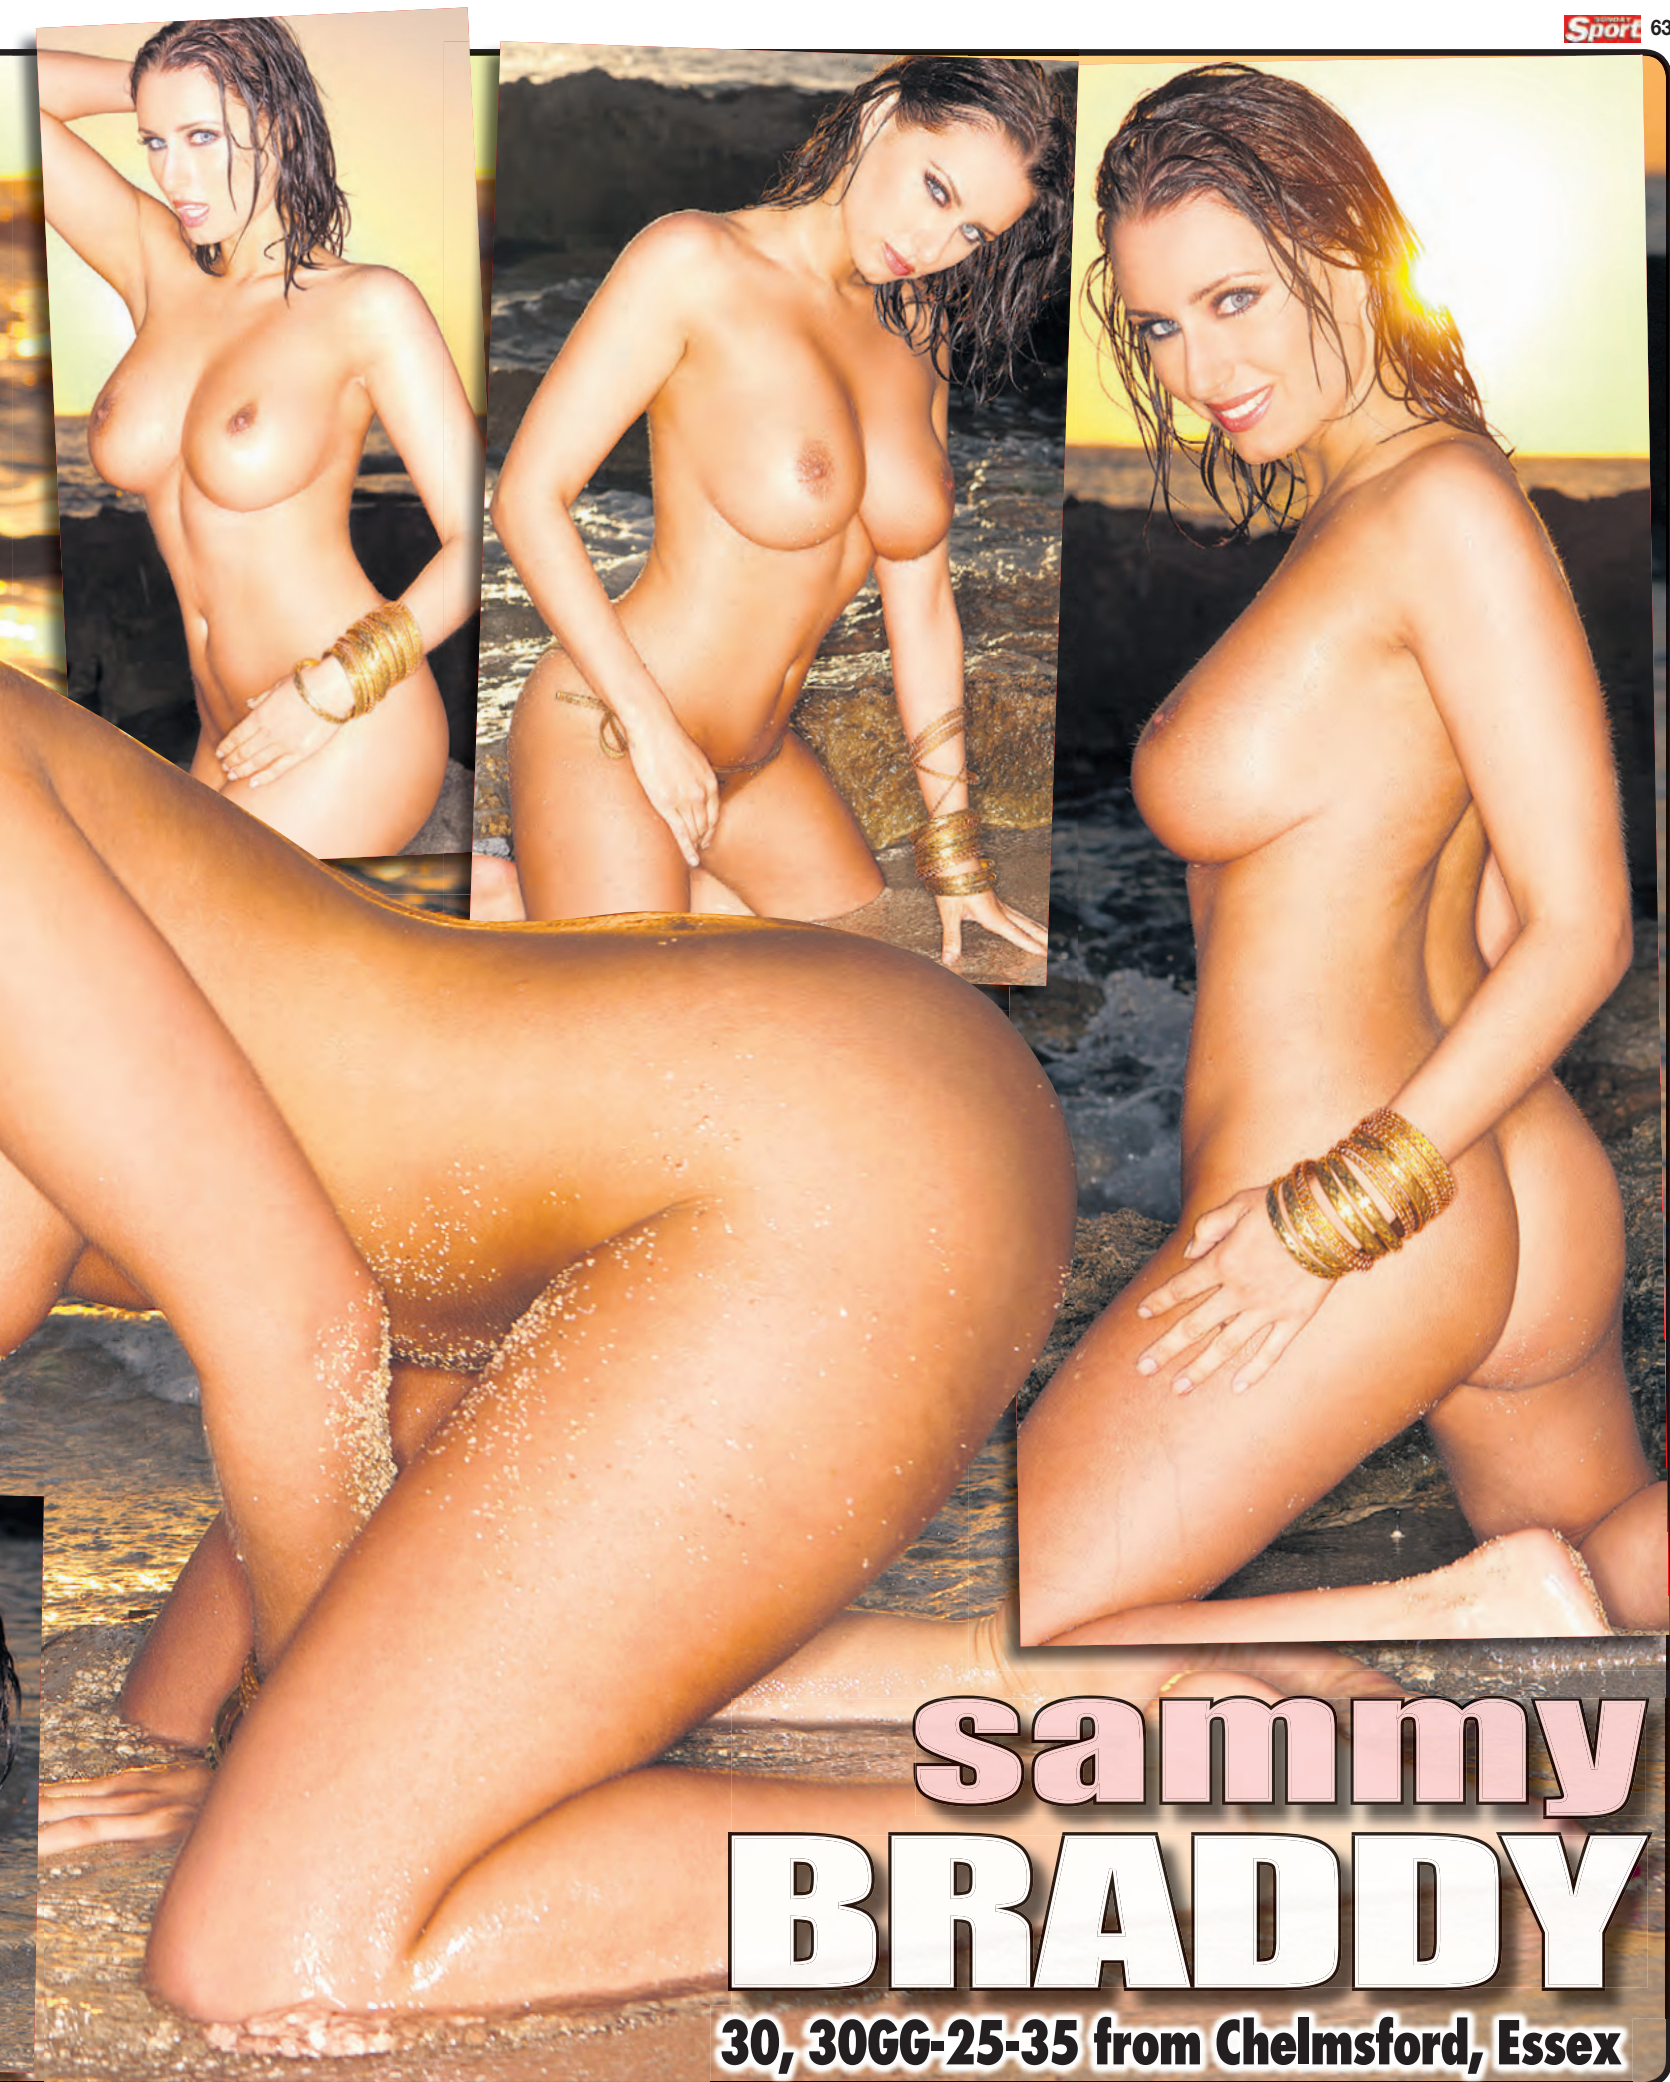

"Ideally, she is a squirter who makes my face nice and wet with all her pussy water."

"Then I like a load of hot spunk in my mouth - sex should be messy!"

GREAL DEAL FOR CITY

Guardiola enters summer Jack battle

MANCHESTER City are all set to fight neighbours United to sign Jack Grealish this summer.

Both clubs are keen to get their hands on the Aston Villa captain and talisman.

And it looks like City are in the driving seat with Pep saying how highly he rates

By **BRENDAN MACKIE**

Grealish while the player himself has stated it's his dream to line up with Kevin De Bruyne.

A lot depends on whether Villa stay in the Premier League as they will try to keep their man unless they drop down. Either way, a bid-

ding war is likely to push his value to the £100m mark — a lot for a player who has yet to wear a full international cap.

Guardiola sounded very keen when discussing Grealish ahead of the Carabao Cup final.

He said: "Villa have one of the best players in the league

in Jack Grealish. I'm a big fan of him."

With Raheem Sterling seemingly on his way out this summer, City will need a new talisman and it won't be easy to get one with being able to offer Champions League.

That's less of an issue for Grealish who would relish the chance to step up.
